BAYONET CHARGES DRIVE FRENCH CENTER

THEN-AND-NOW.

GERMANS HOLD FAST

along the Meuse south of Verdun have been silenced by the Germar artillery. Some ground has been gained by the Germans at the center of the battle line in France and heavy fighting continues on both wings, according to a statement issued here today. The offensive movement of our troops continues without severe cieck. Bisavs.

"Heavy losses have been inflicted upon the enemy by our Evenet charges and they have had to being up their reserves to strengthen their lines.

At the eastern end of the bettle line our artillery has sileaced part of the forts on the Verdan-Toul lines and we have sucwelled in crossing the Mease. The passage is being sharply re-

artillery fire, which is now showing better aim.

"On the west we have held all the ground we gained, though enemy has received large reinforcements and is making counter carks. These, however, have been repulsed."

This statement was issued on the situation in the eastern eatre of war: "The German forces have advanced more than 25 rates in the Suwalki district, though the Russians are making a determined resistance. We have captured a number of guns and

WHY INMAN SHOULD BE ELECTED

In casting your vote for member of corners sthis fall, there is e thing that should be kept uppercost in your calc Γ and C (Sit is necessary to elect a upon an epostably to be a transport even of entangling alliances, if you believe in preserving a marality and in this country attending to its own affairs, por ought to you to send a man to congress who will firmly support the President in carry ing out those policies. You do not want to cleet, a concress, that will be antaronistic to the President one feat with bareion this every move, do you? We think not . And that is one reason and a sufficient one at that, way the people of these detects should expenden Hon, William A. Inman, the Democratic nonction.

Mr. Innian is clean and capable. The necessory quirements of the position. It is not be well all a consession has onstituents. And he will be found standard by our great speed dent in all emergencies.

tary been so chary of information as present. In its official 3 p. m. resume of the fighting, the war office bulletin today was utterly non-committal. It merely emphasized the fact that there has been no change in the situation. This however, disposed of a report that the allies had driven the Gormans from Mons which this particular rumor said was barning. Military authorities who until today were willing to discuss the situation today were mam.

Manchester, Mass., Sept. 23--Austrian Ambassador Dumba today denied reports that the Russians have captured two of the forts at Przemysł and that they had gained new successes in Galicin. According to official wireless dispatches received by me the situation both in the north and south war zone is entirely favor

Nish, Sept. 28 .- The Servian government aunounced today that the Austrians who crossed the Drina have been repulsed and driven back, leaving many guns and prisoners. **GETS REPRIEVE**

Petrograd, Sept. 28--The significant announcement is made that the Russian army which is operating in Galacia now controls all the six passes which penetrate the Carpathian mountains. This movement has for its object the heading off of Hungary's rein forcement headed for the north. The Russians are today enforced at Carno, 50 miles from Cracow on the main line of the railroad.

London, Sept. 28. The official press bureau this afternion issued the following dispatch: "Operations of his majesty's naval forces on the west coast of Africa have resulted in the uncondition al surrender of Buala, the capital of Kamarun, and of Bonaberi to an Angle-French force."

Bordeaux, Sept. 28 .- According to a dispatch from the front the Prussian guard has been cut to pieces during the fighting of the last three days. The strength of some companies has been re-duced from 250 to 100 men. Virtually all the original officers of To Woman's Suffrage the guards have been killed or wounded and two battalions have
